SAN LUIS REY RIVER PARK (SLRRP) UPDATES

JULY 2018 – SEPTEMBER 2018

ACQUISITIONS

- The County has been purchasing land for the San Luis River Park since 2005 and has spent over \$25,000,000 on land acquisitions to date.

- The County is still acquiring parcels to meet the SLRRP Master Plan goal of acquiring 1,600 acres
 - County currently owns 672 acres.
- Caltrans will transfer approximately 695 acres of mitigation land to the County over the next five years.

RESOURCE MANAGEMENT

- There are no new updates.

PARK DEVELOPMENT

- SR-76 Middle ROW Trail Project: The County purchased a trail easement from the City of Oceanside for the SR-76 Middle ROW Trail. Project plans are finalized and environmental review will begin.
- Dulin Active Recreation Concept Plans: The Dulin active recreation site lies within the Fallbrook and Bonsall local park planning area. The community provided comments on desired park amenities for Dulin during the creation of the San Luis Rey River Park Master Plan. These amenities included: play areas, soccer and baseball fields, habitat restoration, trails, interpretative gardens, concession areas, restrooms and parking. The County will be meeting with the community again in Winter 18/19 to solicit additional feedback.
- Moosa III Active Recreation Concept Plans: Community members at the October 2018 Bonsall Community Sponsor Group meeting requested that playgrounds and ballfields be included in the Moosa III site. The County will be meeting with the community in Winter 18/19 to solicit feedback from other stakeholders and community members.

PARK OPERATIONS

- Park Rangers continue to perform vegetation management and patrols of all SLRRP parcels.
