

FREE SPEECH ACTIVITIES

GUIDELINES FOR COUNTY OF SAN DIEGO DEPARTMENT OF PARKS AND RECREATION FACILITIES

Both the California Constitution and the First Amendment to the United States Constitution protect your right to free expression in public forums. Parks and park facilities are, by nature, public forums where the community can recreate, congregate and exercise their constitutional rights to free speech.

The County of San Diego Department of Parks and Recreation supports free speech and peaceful assembly as long as it follows rules and regulations (see below for full list) and it does not interfere with park operations, prevent free movement or pose any risks to an individual's health or safety. These are guidelines using County policies regarding the time, place and manner of a free speech event.

Free speech activities are welcome at parks and in park facilities; however, reservations are required to use onsite power, secure permits and reserve specific areas for events.

Reservations are highly encouraged, and park staff work closely with applicants to ensure there are no conflicts or property limitations that could affect a free speech event.

To learn more about these guidelines or to make a reservation, contact us Monday through Friday from 8 a.m. until 5 p.m. at 858-565-3600 or 877-565-3600 (toll free).

6 Reasons to Make Reservations:

- 1 Gain access to electrical outlets.
- 2 Sell and/or distribute food.
- 3 Bring in vendors to sell items.
- 4 Build stages; install large, complex audiovisual equipment.
- 5 Use drones to collect aerial footage.
- 6 Secure a designated event space.

NOTE:

Parking permits, tables, chairs, sound systems and other support equipment/supplies will not be provided.

Use of electrical outlets is not allowed without a reservation.
