### Public Comment: Non-Agenda Items

- Sally Snipes spoke regarding the approximately 10,000 daffodils that were planted in Jess Martin Park that were cut down many years ago. The park needs to designate an area that will not be cut until June. The grammar school has planted daffodils for the past 30 years. Planting should take place in November of each year. Michael Hubbell asked Sally to set up a time to plant and he stated she can plant them anywhere in the park. He will also let staff know where to avoid weed whacking as Daffodils bloom in June of each year. Money for daffodil planting takes place in August of each year. Michael Hubbell stated that the parks department could facilitate the necessary funds to purchase the daffodils for planting. Carmen Longoria stated her after-school program students can assist with planting them.
- Sally also spoke about which trees not to plant in the park.
  - *Coulter Pines due to the risk of injury from falling pine cones and branches. Sycamore Tree is iffy as they get frosted during winter and may not recover. The Big Leaf Maple as the*

*park area can become a wind tunnel due to the local terrain and the tree can get ripped to shreds.*

Sally offered to help with the placement of the trees. Sally also recommended trees be put in large holes with cages around the roots to keep out gophers for the first 5 years. Michael Hubbell mentioned no more than 3 different types of trees in the park to keep it somewhat uniform.

- Joe Liggitt asked what approval was needed from the Park Department to have a 'Jumpy or Bounce House'. Michael Hubbell told Joe what area was allowable.
- 

## **Old Business**

### 5. Approval of February 2023, Minutes.
