Recognizing Local Heroes

In the spirit of environmental stewardship and promoting healthy, active lifestyles, the County of San Diego Department of Parks and Recreation is proud to introduce the Parks and Recreation Champion Awards. A program recognizing local volunteers for their work in education and environmental ambassadorship for our parks and affiliated recreation services. Nominees for this prestigious award program have made a noticeable, positive impact in their communities through advocacy, education, preservation and park ambassadorship.

Be a part of the festivities by supporting the Parks and Recreation Champion Awards program with a tax-deductible sponsorship or donation! Proceeds support the event and ongoing programming.
