Have you ever participated in a virtual scavenger hunt? SD Nights is hosting a free Virtual Scavenger Hunt. This event will engage participants remotely with a new twist on a classic activity; each round, players will have 30 seconds to find a common household object. The object must be in “camera view” by the buzzer to earn points. A live game host will motivate players and keep score. Before the scavenger hunt, we’ll start with a short presentation on how to recognize unhealthy relationships during COVID-19 All you need is a computer, internet, and a reservation!

SD Nights – short for San Diego/ Safe Destination Nights – is a FREE program developed by the County of San Diego Department of Parks and Recreation designed to provide teens, ages 10 – 18, with safe places to recreate after school, during critical hours.
