Tune in Monday, Oct. 19 at 5 p.m. for a Zoom event for the second public meeting on the Waterfront Active Recreation Feasibility Study. A link to the meeting will be available at: sdparks.org/publicmeetings

County of San Diego Department of Parks and Recreation staff will present four concept designs and receive feedback on these possible active recreation amenities to the northeast corner of the park and future Port of San Diego land to the west.

If you can’t join us, you can still participate online. A pre-recorded version of the presentation will be available on the project website: sdparks.org > Plans > Development Projects

Let us know what you think by filling out the brief survey found within the pre-recorded presentation by Nov. 5. If you would like a copy of the survey mailed to you, contact Nina Pisano (information below).
