# Activity

*Total time: 30 minutes*

Please find either an interior or exterior building concept station

## Interior Stations

Provide open feedback on what you like and do not like.

## Exterior Stations

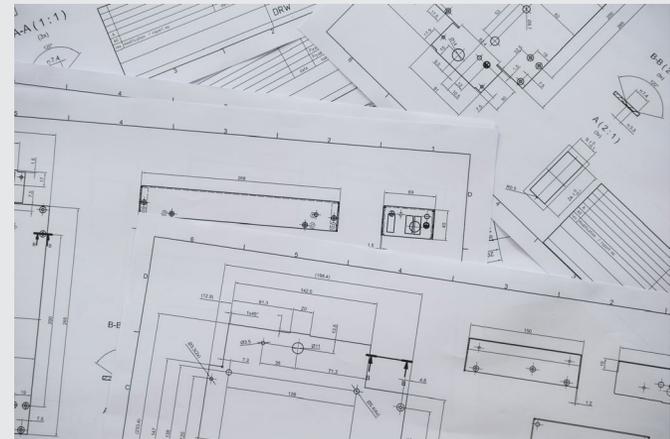

Place **green** and **red** dots stickers on image board to vote for amenities/design you do or do not prefer.

**Green = Prefer**

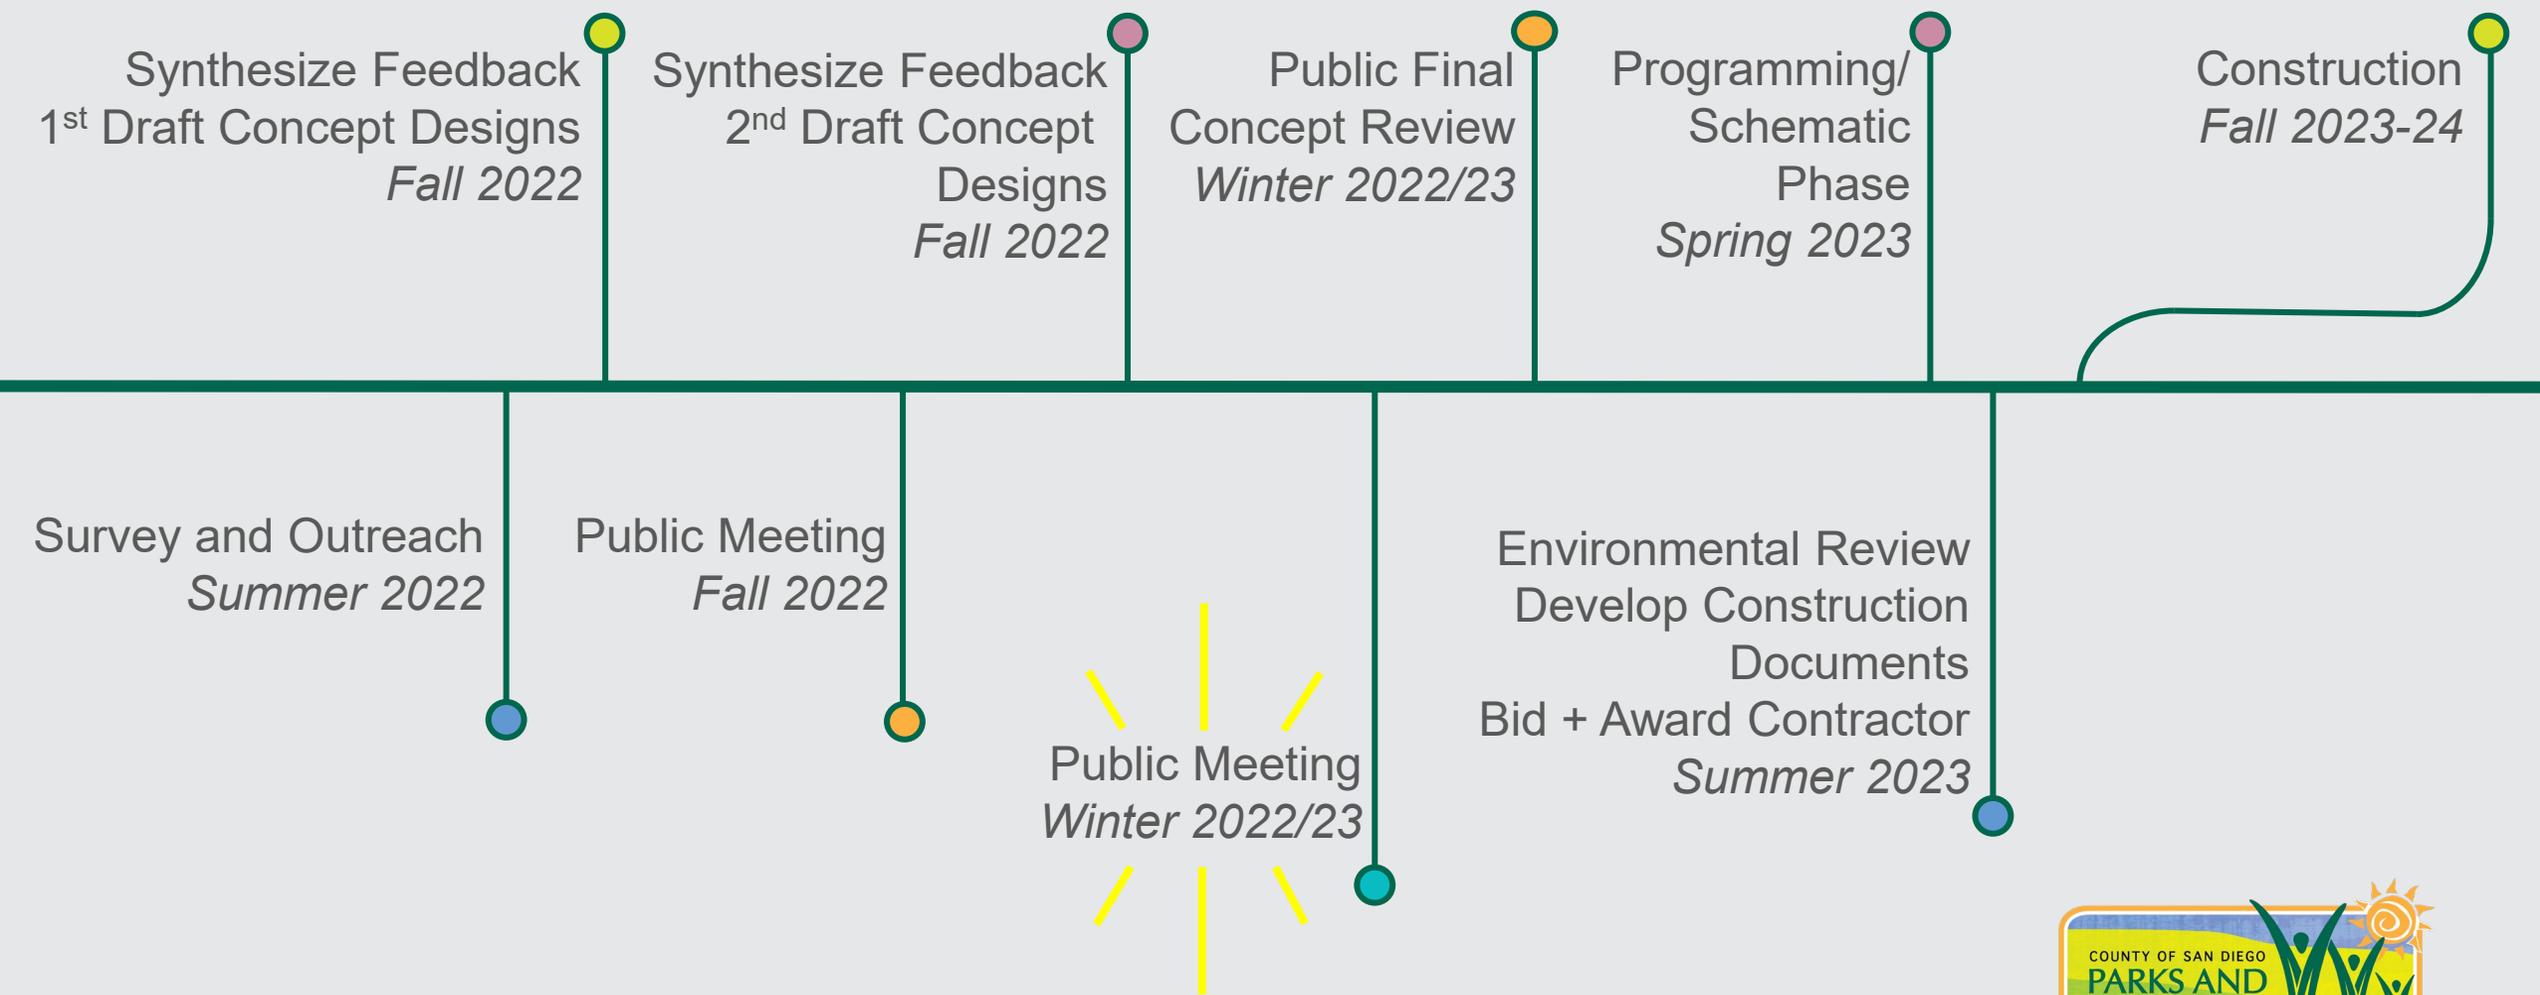

**Red = Do Not Prefer**

*After 15 minutes, switch stations*

*Please take a seat once completed*
