Tenant shall, thereafter, prosecute such action with reasonable diligence and continuity. If Landlord receives notice of any Prohibited Lien, then Landlord shall Notify Tenant.

13.2 Protection of Landlord. LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES, EQUIPMENT, OR MATERIAL FURNISHED OR TO BE FURNISHED TO TENANT UPON CREDIT AND NO MECHANIC'S OR OTHER LIEN FOR ANY LABOR, SERVICES, EQUIPMENT, OR MATERIAL SHALL ATTACH TO OR AFFECT THE FEE ESTATE. NOTHING IN THIS LEASE SHALL BE DEEMED OR CONSTRUED IN ANY WAY TO CONSTITUTE LANDLORD'S CONSENT OR REQUEST, EXPRESS OR IMPLIED, BY INFERENCE OR OTHERWISE, TO ANY PROFESSIONAL, CONTRACTOR, SUBCONTRACTOR, LABORER, OR EQUIPMENT OR MATERIAL SUPPLIER FOR THE PERFORMANCE OF ANY SERVICES OR LABOR OR THE FURNISHING OF ANY MATERIAL OR EQUIPMENT FOR ANY CONSTRUCTION, NOR AS GIVING TENANT ANY RIGHT, POWER, OR AUTHORITY TO CONTRACT FOR, OR PERMIT THE RENDERING OF, ANY SERVICES OR LABOR, OR THE FURNISHING OF ANY EQUIPMENT OR MATERIAL THAT WOULD GIVE RISE TO THE FILING OF ANY LIEN AGAINST THE FEE ESTATE.

TENANT FURTHER AGREES TO INFORM EACH PROVIDER OF SERVICES, LABOR, EQUIPMENT, OR MATERIAL ON OR TO THE PREMISES OF SUCH FACT AND THAT LANDLORD AND THE FEE ESTATE ARE NOT RESPONSIBLE FOR PAYMENT OF CLAIMS BY ANY SUCH PROVIDERS OF SERVICES, LABOR, EQUIPMENT, OR MATERIAL. LANDLORD SHALL HAVE THE RIGHT AT ALL REASONABLE TIMES TO POST AND KEEP POSTED ON THE PREMISES ALL NOTICES LANDLORD MAY DEEM NECESSARY FOR THE PROTECTION OF LANDLORD OR THE FEE ESTATE FROM MECHANIC'S LIENS OR OTHER CLAIMS. TENANT SHALL GIVE LANDLORD TEN (10) DAYS PRIOR WRITTEN NOTICE OF THE COMMENCEMENT OF ANY CONSTRUCTION OR OTHER WORK ON THE PREMISES TO ENABLE LANDLORD TO POST SUCH NOTICES.

14. **INSURANCE.** To protect the Landlord Parties against Claims arising from or related to this Lease, the Premises, or the Permitted Use, Tenant shall maintain, at its sole expense, throughout the Term, all the insurance coverage described in **EXHIBIT F** attached to this Lease. Notwithstanding the insurance provisions of this Section 14 to the contrary, Tenant shall have the right to self-insure with respect to any of the insurance provisions required to be carried by Tenant

under this Lease, provided that (a) Tenant has not assigned its interest in this Lease to any other entity; and (b) Tenant governs and manages (either internally or through a third party administrator) its self-insurance program, and maintains sufficient reserves on its balance sheet committed to its self-insurance program liabilities, in a manner consistent with comparable programs managed by municipal governments of comparable size and population. Tenant's utilization of self-insurance shall not in any way limit liabilities assumed by Tenant under the Lease.

15. LOSSES AND LOSS PROCEEDS.

15.1 Notice. If either Party becomes aware of any Loss that is likely to Materially negatively impact Tenant's use of the Premises for the Permitted Use, such Party shall Notify the other Party of such Loss within a reasonable time after becoming aware of such Loss.

Neither Landlord nor Tenant shall settle or compromise any Condemnation Award without consent from the other Party, not to be unreasonably withheld; provided, however, neither Landlord nor Tenant shall be required to obtain the consent of the other Party to settle or compromise any Condemnation Award when either Landlord or Tenant is the condemning authority. Any Condemnation Award shall be deposited with the Depository and applied under the provisions of Section 15.6. For a Substantial Condemnation, Landlord and Tenant shall allocate the Condemnation Award as follows and in the following order of priority, without duplication, until exhausted:

15.3.1 *Landlord's Costs*. For a Substantial Condemnation where Landlord is not the condemning authority, to reimburse Landlord for Landlord's actual costs and expenses, including Legal Costs, incurred in the Substantial Condemnation and determining and collecting the Condemnation Award.

15.3.2 *Tenant's Costs*. For a Substantial Condemnation where Tenant is not the condemning authority, to reimburse Tenant for Tenant's actual costs and expenses, including Legal Costs, incurred in the Substantial Condemnation and determining and collecting the Condemnation Award.

15.3.3 *Tenant's Claim*. Tenant shall receive such portion of the Condemnation Award equal to the Market Value of the portion of the Leasehold Estate, the Improvements in the Premises and Tenant's rights and interests under this Lease taken as of the Condemnation Effective Date, as determined by the court presiding over the condemnation proceeding.

15.3.4 *Landlord's Claim.* Landlord shall receive such portion of the Condemnation Award equal to the Market Value of the portion of the Fee Estate taken as of the Condemnation Effective Date, as determined by the court presiding over the condemnation proceeding.

15.3.5 *Landlord's Residual Claim.* Landlord shall receive the entire remaining Condemnation Award.

15.4 Insubstantial Condemnation. If an Insubstantial Condemnation occurs after the Commencement Date, then any Condemnation Award(s) shall be deposited with Depository in accordance with the provisions of Section 15.6 and applied first toward Restoration, in the same manner as Restoration after Casualty. Regardless of whether the Condemnation Award is adequate, Tenant shall, at its expense, Restore in compliance with this Lease. After Tenant completes and pays for Restoration, any remaining Condemnation Award shall be distributed to Landlord and Tenant in accordance with Section 15.3, as if it arose from a Substantial Condemnation affecting only the part of the Premises taken.

15.5 Temporary Condemnation. If a Temporary Condemnation occurs after the Commencement Date, then no Rent shall abate under this Lease and this Lease shall not be affected in any way, except as to use restrictions resulting from the Temporary Condemnation. To the extent that the period of a Temporary Condemnation includes any period outside the Term, the Condemnation Award from such Temporary Condemnation allocable to a period outside the Term shall belong to Landlord. Otherwise, Tenant shall receive the Condemnation Award (to the extent attributable to periods within the Term).

15.6 Use of Loss Proceeds. Landlord assigns to Tenant the right to receive all Loss Proceeds, subject to the terms of this Lease. All Loss Proceeds shall be deposited with the Depository, to be disbursed by Depository under the terms of a depository account control agreement signed by each of Landlord and Tenant and which is consistent with the terms of this Lease. If Landlord receives any Loss Proceeds, Landlord shall remit them to Depository. If a Loss is an Immaterial Loss, then Depository shall release all Loss Proceeds to Tenant, to be applied first to Restoration. If a Loss is not an Immaterial Loss, then Depository shall retain the Loss Proceeds and pay them over to Tenant, from time to time, upon the following terms, for Restoration, unless there is a Substantial Condemnation in which case the Loss Proceeds shall be paid to Landlord and Tenant as provided in Section 15.3. Depository shall first reimburse Landlord and Tenant from such Loss Proceeds for their actual, necessary, and proper costs and expenses in collecting such Loss Proceeds. Depository shall release Loss Proceeds to Tenant, from time to time, in proportion to the percentage of completion of the Restoration, subject to a reasonable retention (at least ten percent (10%)). When Tenant has completed and paid for Restoration, Depository shall release to Tenant, and Tenant may retain all remaining Loss Proceeds. Until Tenant has completed and paid for Restoration, Tenant shall hold all Loss Proceeds in trust for the benefit of Landlord to be used first to Restore and for no other purpose. If any Prohibited Lien is filed against the Premises, Tenant shall not be entitled to receive any further installment of Loss Proceeds, until Tenant has bonded, satisfied, or otherwise discharged such Prohibited Lien under Section 13.1. If, in Tenant's reasonable determination, Loss Proceeds are insufficient to Restore and there is no Substantial Condemnation affecting the portion of the Premises requiring Restoration, then Tenant shall nevertheless Restore at Tenant's sole cost and expense. Depository shall not release any Loss

Proceeds, unless and until Tenant expends an amount of money equal to the insufficiency of Loss Proceeds for such Restoration, as determined by Tenant, in its reasonable discretion.

15.7 Continuation of Lease. Except as this Lease expressly provides, this Lease shall not terminate, be forfeited, or be affected in any other manner by any Loss. Tenant agrees that the provisions of this Lease shall exclusively govern the rights and responsibilities of the Parties in the event of a Loss. Unless and until this Lease is validly terminated in accordance with its terms, Tenant's obligations under this Lease, including the obligation to pay Rent, shall continue unabated.

15.8 No Effect on Landlord or Tenant Eminent Domain Authority; No Condemnation. Nothing in this Lease is intended to, nor shall be interpreted to, waive, limit, or restrict any Landlord or Tenant power of eminent domain over the Premises or any other property. No action by Landlord or Tenant in pursuing its rights or performing its obligations under this Lease shall be considered any type or form of Condemnation.

15.9 Loss During Last Five (5) Lease Years. Notwithstanding anything to the contrary in this Lease, if a Loss occurs on the Premises during the last five (5) Lease Years, then the Parties shall meet and confer to determine whether to restore the Improvements on the Premises to their configuration immediately preceding the Loss. If the Parties agree not to so restore the Improvements on the Premises, then Tenant shall apply available Loss Proceeds to place the Premises in a safe and stable condition before possession of the Premises reverts to Landlord and all remaining Loss Proceeds shall be paid to Landlord.

16. **WASTE**. Subject to the provisions of this Lease concerning Construction, Condemnation and Casualty, Tenant shall not commit or suffer to be committed any waste of the Premises, Improvements, or Equipment. Tenant agrees to keep the Premises, Improvements, and Equipment clean and clear of refuse and obstructions, to promptly dispose of all garbage, trash, and rubbish and to pay all taxes, fees, and other charges levied regarding this Lease, the Leasehold Estate, the Premises, Improvements, Equipment, or FF&E. Tenant shall immediately Notify Landlord of any waste, Casualty, or damage to the Premises. If waste, Casualty, or damage to the Premises arises from the Permitted Use, at Landlord's election, in Landlord's sole and absolute discretion, Tenant shall make, or cause to be made, full repair of the waste, Casualty, or damage and Restore the Premises to its condition existing immediately prior to the waste, Casualty, or damage. Tenant shall commence preliminary steps toward Restoration of the Premises as soon as practicable, but no later than thirty (30) days after the date the waste, Casualty, or damage occurs. Tenant shall complete all required Restoration of the Premises within ninety (90) days after the date the waste, Casualty, or damage occurs. Tenant must obtain all Approvals required for Restoration of all waste, Casualty, or damage to the Premises.

17. **ENVIRONMENTAL CONDITIONS**. Tenant shall not cause or knowingly permit any Environmental Condition. If Tenant discovers or becomes aware of an Environmental Condition, Tenant shall Notify Landlord of such Environmental Condition as soon as possible, but in all cases within twenty-four (24) hours following the Tenant becoming aware of such Environmental Condition.

17.1 Remediation. If an Environmental Condition arises during the Term of this Lease, Tenant shall remediate the Environmental Condition in accordance with Law to allow the Permitted Use to continue. If Tenant knows or has reasonable cause to believe that an Environmental Condition is an imminent danger to public health and safety, Tenant shall take all actions necessary to alleviate the imminent danger, at Tenant's sole cost and expense except if the Environmental Condition is caused by the gross negligence or willful misconduct of a Landlord Party.

17.2 Removal. If a Tenant Party stores, utilizes, generates, or otherwise brings Hazardous Substances onto the Premises in accordance with Law, Tenant shall remove all such Hazardous Substances from the Premises prior to the Termination Date and provide Landlord with documentation demonstrating the legal removal and disposal of the Hazardous Substances, if such documentation was required by Hazardous Substances Law. Tenant shall be responsible for all costs incurred by Landlord to remove or dispose of any Hazardous Substances not removed from the Premises by Tenant in accordance with this Section 8.2.

17.3 Reports. within three (3) business days after the occurrence of an Environmental Condition that Tenant knows or has reasonable cause to believe is an imminent danger to public health and safety, Tenant shall deliver a written Notice to Landlord describing the circumstances of such Environmental Condition in reasonable detail. Thereafter, Tenant shall cause an environmental assessment of the Premises to be performed by a professional environmental consultant registered with the State as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer approved by Landlord, in its reasonable discretion. Within ninety (90) days, or by another day the Parties may mutually agree to in writing, Tenant shall submit a copy of the report prepared in connection with the environmental assessment to Landlord and, if required by Law, to other Governments.

17.4 Environmental Assessment. If Tenant fails to timely submit to Landlord the report required in Section 17.3, or if Landlord has reasonable cause to believe that an Environmental Condition has occurred and Tenant fails to take the actions required in Section 17.3, Landlord may cause an environmental assessment of the Premises to be performed by a professional environmental consultant registered with the State as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be performed at Tenant's sole cost and expense. Tenant shall reimburse Landlord for all costs and expenses reasonably incurred by Landlord in performing the environmental assessment within thirty (30) days after Notice to Tenant of the amount of such costs and expenses. Such Notice will include an itemization of expenses and Tenant shall receive a copy of the environmental assessment once prepared. Any amount reimbursable to Landlord by Tenant under this Section 17.4 that is not paid within thirty (30) days after Notice to Tenant of such amount, shall accrue Default Interest until paid.

18. **ACCESS AND INSPECTION**. Notwithstanding anything to the contrary in this Lease and at no cost to Tenant, Landlord and its agents may enter the Premises upon reasonable advance Notice, without cost for entry, during regular hours of operation of the Premises, solely to: (a) ascertain whether Tenant is complying with this Lease; (b) cure Tenant's Defaults as permitted by this Lease; (c) perform such tests, borings, or other analyses as Landlord determines are necessary or appropriate relating to possible (non)compliance with Law or possible Hazardous Substance Discharge; provided, however, no invasive testing shall be conducted by Landlord

without Tenant's prior written consent, not to be unreasonably withheld. In entering the Premises, Landlord and its agents shall not unreasonably interfere with Tenant's Permitted Use of the Premises and shall comply with Tenant's reasonable instructions and such entry shall not constitute an actual or constructive eviction of Tenant from the Premises, nor shall it entitle Tenant to any offset, deduction, or abatement of Rent. Landlord may enter the Premises without Notice to Tenant in the event of an emergency. All Landlord representatives or agents who enter the Premises shall identify themselves at the main entrance to the Premises and shall always be accompanied by a Tenant representative while on the Premises. Tenant shall make a Tenant representative available for this purpose during all regular hours of operation for the Premises upon reasonable advance Notice from Landlord. If in Landlord's reasonable judgment it is necessary, Landlord shall have the further right, from time to time, at its own cost, to retain a consultant or consultants to inspect the Premises regarding compliance by Tenant with this Lease. Tenant acknowledges and agrees that: (i) all such Landlord inspections are for the sole purpose of protecting Landlord's rights under this Lease; (ii) are made solely for Landlord's benefit; (iii) Landlord's inspections may be superficial and general in nature; (iv) are for the purposes of informing Landlord of the conformity of the Premises with this Lease; and (v) Tenant shall not be entitled to rely on any such inspection(s) as constituting Landlord's approval, satisfaction, or acceptance of any materials or workmanship, conformity of the Premises with this Lease or otherwise. Tenant agrees to make its own regular inspections of the Premises to determine the conformity of the Premises with this Lease.

19. INDEMNIFICATION.

19.1 Tenant Indemnity Obligations. Tenant shall Indemnify the Landlord Parties against all Claims arising from or related to: (a) Tenant's use or occupancy of the Premises or this Lease; (b) personal injury (including death) or property damage (to property of Tenant or any other Person) occurring on the Premises, or on the Park Property as a result of Tenant's use of the Premises, including such injury (including death) or property damage caused by asbestos on or released from the Premises during the Term; (c) personal injury (including death) or property damage resulting from Tenant's use or occupancy of the Premises; (d) wrongful intentional acts or negligence of one or more of the Tenant Parties; (e) strict liability relating to Tenant's use or occupancy of the Premises; (f) construction undertaken by Tenant or any Tenant Party and against all Prohibited Liens; (g) any written agreement that Tenant (or any Tenant Party) makes with a Third Person in connection with Tenant's use of the Premises; (h) services, labor, material, or equipment supplied to, for, or on behalf of Tenant for a purpose connected with Tenant's use of the Premises; (i) a workers' compensation claim by one or more employees or contractors of one or more of the Tenant Parties arising from an occurrence connected with Tenant's use of the Premises, including, but not limited to, any construction caused or undertaken on the Premises by Tenant; (j) a Prevailing Wage Determination concerning work performed by, or contracted for by, Tenant in connection with Tenant's use of the Premises; (k) an Environmental Condition occurring on or after the Commencement Date; or (l) a Claim brought by an artist or creator of artwork permitted to be displayed at the Premises by a Tenant Party that such artwork may not be removed from the Premises or may only be removed from the Premises after the satisfaction of certain conditions. Notwithstanding anything to the contrary in this Lease, Tenant's obligations to Indemnify the Landlord Parties excludes Claims arising from the established active negligence or willful misconduct of a Landlord Party.

19.2 Independence of Insurance and Indemnity Obligations. Tenant's obligations to Indemnify the Landlord Parties under this Lease shall not be construed or interpreted as in any way restricting, limiting, or Modifying Tenant's insurance or other obligations under this Lease. Tenant's obligations to Indemnify the Landlord Parties under this Lease are independent of Tenant's insurance and other obligations under this Lease. Tenant's compliance with its insurance obligations and other obligations under this Lease shall not in any way restrict, limit, or Modify Tenant's obligations to Indemnify the Landlord Parties under this Lease and are independent of Tenant's obligations to Indemnify the Landlord Parties and other obligations under this Lease.

19.3 Survival of Indemnification Obligations. Tenant's obligations to Indemnify the Landlord Parties under this Lease shall survive the expiration or earlier termination of this Lease, until all actual or prospective Claims subject to Tenant's obligations to Indemnify the Landlord Parties under this Lease are fully, finally, absolutely, and completely barred by applicable statutes of limitations, but in no event will such obligations survive for more than 3 years after the expiration or earlier termination of this Lease.

19.4 Indemnification Procedures. Wherever this Lease requires Tenant to Indemnify the Landlord Parties:

19.4.1 *Notice.* The affected Landlord Parties shall Notify Tenant of the Claim within a reasonable time.

19.4.2 *Selection of Counsel.* Tenant shall select counsel reasonably acceptable to Landlord's City Council. Even though Tenant shall defend the Claim, the affected Landlord Parties may, in their respective sole and absolute discretion, engage separate legal counsel, at Tenant's expense, to advise them regarding the Claim and their defense. Notwithstanding anything to the contrary in this Section, Tenant shall not be required to pay the Legal Costs of more than one (1) outside law firm to defend Landlord against a given Claim, it being understood that if Landlord elects to engage separate legal counsel, Tenant has the right to defend itself against those portions of the Claim, for which Landlord's separate legal counsel is not retained. The affected Landlord Parties' separate legal counsel(s) may attend all proceedings and meetings. Tenant's legal counsel shall actively consult with the Landlord Parties' separate legal counsel, subject to applicable conflict of interest and privileged communication limitations.

19.4.3 *Cooperation.* The affected Landlord Parties shall reasonably cooperate with Tenant's defense of the Landlord Parties.

19.4.4 *Settlement.* Tenant may only settle a Claim with the prior written consent of the affected Landlord Parties, in their respective sole and absolute discretion.

19.5 Immediate Duty to Defend. The duty to defend that is within Tenant's obligations to Indemnify the Landlord Parties under this Lease includes Claims for which the Landlord Parties may be liable without fault or strictly liable and applies regardless of whether the issues of negligence, liability, fault, default, or other obligation on the part of Tenant or the Landlord Parties have been determined. The duty to defend applies immediately, regardless of whether the Landlord Parties have paid any sums or incurred any detriment arising out of or relating (directly or indirectly) to any Claims. It is the express intention of the Parties that the Landlord Parties be

entitled to obtain summary adjudication or summary judgment regarding Tenant's duty to defend the Landlord Parties at any stage of a Claim within the scope of Tenant's obligations to Indemnify the Landlord Parties under this Lease.

19.6 Savings Provision. Notwithstanding anything in this Lease to the contrary, if the extent of Tenant's obligation to Indemnify the Landlord Parties under this Lease exceeds the indemnity obligation allowed by applicable Law, Tenant's obligation to Indemnify the Landlord Parties shall be reduced to the extent required to comply with applicable Law.

20. **LANDLORD'S TRANSFERS.** Landlord may transfer or convey the Fee Estate to any Person at any time. Landlord shall Notify Tenant of each transfer or conveyance of the Fee Estate promptly following such transfer or conveyance. Upon any transfer or conveyance of the Fee Estate in compliance with this Lease, the grantor shall be relieved from all liability (excluding liability arising before such transfer or conveyance) for performance of any covenants or obligations to be performed by Landlord under this Lease after the effective date of the transfer or conveyance. This Lease shall bind Landlord only while Landlord owns the Fee Estate, except as to any liabilities or obligations under this Lease arising before the effective date of transfer or conveyance of the Fee Estate.

21. **TENANT TRANSFERS.** Tenant shall not have any right to make or allow any Transfer without the prior written consent of Landlord, which may be given or withheld in Landlord's sole and absolute discretion. Tenant acknowledges and agrees that Landlord will not approve a Transfer to a Prohibited Transferee. Tenant further acknowledges and agrees that, under the circumstances that this Lease is entered into by Landlord and Tenant, the restrictions in this Lease on Transfers are reasonable.

22. **SUBLEASING OR LICENSING.** Tenant may not sublease or license use of the Premises for a term of more than five (5) years without Landlord's prior written consent, which may be given or withheld in Landlord's reasonable discretion; provided that Tenant's sublease of a portion of the Premises for use by Landlord's Retired Senior Volunteer Patrol for any duration for term after completion of the Rehabilitation is approved by Landlord. Tenant may enter into subleases for terms of five (5) years or less and licenses with third parties for use of a portion of the Premises without Landlord's prior written consent; provided that no such subleases may be for residential purposes.

23. **LANDLORD'S RESERVATION OF RIGHTS.**

23.1 Government Action. Nothing express or implied in this Lease is intended, nor shall be construed or interpreted, to limit, restrict, waive, or vary any required Approval from Landlord under its police power land use regulatory authority or other police powers or constitute an Approval by Landlord under its police power land use regulatory authority or other police powers. By entering into this Lease, Landlord is not obligating itself or any other Government regarding any discretionary action relating to the development, occupancy, use, or maintenance of the Premises, including re-zonings, variances, environmental clearances, any Approval required for the Permitted Use, or otherwise. Tenant shall diligently seek and use commercially reasonable efforts to obtain, at Tenant's sole cost and expense, all Approvals required from Landlord (in its governmental regulatory capacity) and other Governments necessary for the Permitted Use.

Nothing express or implied in this Lease is intended, nor shall be construed or interpreted, to limit, restrict, waive, or vary any Landlord police power land use regulatory authority or other police power.

23.2 Natural Resources. Landlord reserves all right, title, and interest in all natural resources relating to the Premises, including subsurface natural gas, oil, minerals, and water, on or within the Premises.

23.3 Access Rights. Landlord reserves the right to grant and use easements or establish and use rights-of-way over, under, along, and across the Premises for utilities, thoroughfares, or public or Government access to the Premises or other real property; provided, however, Landlord may not grant any such easement or right of way without first notifying Tenant of the anticipated grant and working with Tenant to minimize any reasonable concerns Tenant has about the easement or right of way impacting Tenant's use of the Premises.

24. **EVENTS OF DEFAULT; REMEDIES.**

24.1 Definition of "Event of Default". An "**Event of Default**" means the occurrence of any one or more of the following:

24.1.1 *Monetary Default*. A Monetary Default that continues for ten (10) days after Notice to Tenant of the Monetary Default.

24.1.2 *Bankruptcy or Insolvency*. Tenant ceases to pay its debts as they become due or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any Bankruptcy Proceeding (except an involuntary Bankruptcy Proceeding dismissed within one hundred twenty (120) days after commencement), or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all Tenant's assets or Tenant's interest in this Lease (unless such appointment, attachment, execution, or other seizure was involuntary and is contested with diligence and continuity and vacated and discharged within one hundred twenty (120) days after being made).

24.1.3 *Non-Monetary Default*. Any Non-Monetary Default, other than those specifically addressed in Section 24.1.2, occurs and Tenant does not cure it within thirty (30) days after Notice to Tenant of the Non-Monetary Default. For a Non-Monetary Default that cannot reasonably be cured within thirty (30) days from the date of such Notice, such Default will not become an Event of Default if Tenant does all the following: (a) within sixty (60) days from the date of Notice to Tenant of the Non-Monetary Default, advise Landlord of Tenant's intention to take all reasonable steps to cure such Non-Monetary Default; and (b) within a reasonable time under the circumstances, Tenant commences such cure and diligently prosecutes such cure to completion.

24.2 Remedies. If an Event of Default occurs, then, for so long as such Event of Default remains uncured, Landlord shall, at Landlord's option, in Landlord's sole and absolute discretion, have all the following remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available under any other provision of this Lease:

24.2.1 Termination of Tenant's Rights; Conditional Limitation. Landlord may serve upon Tenant a 10-day Notice of termination of this Lease. Upon the expiration of such 10-day period, this Lease and the Term shall automatically, and without further action by any Person, terminate, expire, and come to an end, by the mere lapse of time, as fully and completely as if the expiration of such 10-day period were the Expiration Date. The passage of such 10-day period constitutes the limit beyond which Tenant's tenancy no longer exists. Tenant shall then quit and surrender the Premises to Landlord in accordance with Section 25 but remain liable as this Lease provides. It is a conditional limitation of this Lease that the Term shall terminate and expire as set forth in this Section 24.2.1. This Section 24.2.1 is intended to establish a conditional limitation and not a condition subsequent.

24.2.2 Recovery of Damages Following Termination. If Tenant's right to possession of the Premises is terminated by Landlord following the occurrence of an Event of Default, this Lease shall also terminate on the date on which Tenant's right to possession of the Premises terminates. Upon any such termination of this Lease, Landlord may recover from Tenant:

(a) The worth at the time of award of the unpaid Rent which had been earned at time of termination;

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; and

(d) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.

(e) The "worth at the time of award" of the amounts referred to in Sections 24.2.2(a) and 24.2.2(b) is computed by accruing Default Interest on such amounts. The "worth at the time of award" of the amount referred to in Section 24.2.2(c) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus one percent (1%).

24.2.3 Intentionally Omitted.

24.2.4 Suits Before Expiration Date. Landlord may sue for damages or to recover Rent, from time to time, in Landlord's sole and absolute discretion.

24.2.5 Receipt of Money. No receipt of money by Landlord from Tenant after termination of this Lease or after giving any Notice of termination of this Lease shall reinstate, continue, or extend this Lease or affect any Notice previously given to Tenant, or waive Landlord's right to enforce payment of any Rent payable or later falling due, or Landlord's right to recover possession by proper remedy, except as this Lease expressly states otherwise, it being agreed that after delivery of Notice of termination of this Lease or commencement of suit or summary proceedings,

or after final order or judgment for possession, Landlord may demand, receive, and collect all money due or thereafter falling due from Tenant under this Lease, without in any manner affecting such Notice, proceeding, order, suit, or judgment, all such money collected being deemed payments on account of use and occupation of the Premises by Tenant or, in Landlord's sole and absolute discretion, on account of Tenant's liability to Landlord.

24.2.6 *No Waiver.* No failure by Landlord to insist upon strict performance of any covenant, agreement, term, condition or restriction of this Lease or to exercise any right or remedy upon a Default or Event of Default, and no acceptance of full or partial Rent during continuance of any such Default or Event of Default, shall waive any such Default, Event of Default, or such covenant, agreement, term, or condition. No covenant, agreement, term, or condition of this Lease to be performed or complied with by Tenant, and no Default or Event of Default, shall be Modified, except by a written instrument signed by Landlord. No waiver of any Default or Event of Default shall Modify this Lease. Each covenant, agreement, term, condition, and restriction of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term, condition, or restriction of this Lease.

24.2.7 *Damages.* Landlord may recover from Tenant all damages Landlord incurs because of Tenant's Default, including reasonable costs of recovering possession, all other damages legally recoverable by Landlord, and reimbursement of Landlord's reasonable out of pocket costs, including Legal Costs and bank fees for dishonored checks. Landlord may recover such damages at any time after Tenant's Default, including after the Expiration Date. Notwithstanding any Law to the contrary, Landlord need not commence separate actions to enforce Tenant's obligations for each Lease Year's Rent not paid or each Lease Year's accrual of damages for Tenant's Default but may bring and prosecute a single combined action for all such Rent or damages.

24.3 Continue Lease. Landlord may, in Landlord's sole and absolute discretion, maintain Tenant's right to possession of the Premises. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover Rent as it becomes due, if Tenant has the right to sublet or assign, subject only to reasonable limitations). If Landlord elects to maintain Tenant's right to possession of the Premises after an Event of Default, this Lease shall continue and Landlord may continue to enforce it, including the right to collect Rent when due and all remedies for non-payment of Rent. Tenant acknowledges and agrees that the standards and conditions of this Lease regarding Tenant's right to Transfer this Lease or sublease the Premises are reasonable.

24.4 Injunction of Events of Default. After a Default ripens into an Event of Default, then, for so long as such Event of Default remains uncured, Landlord may obtain a court order enjoining Tenant from continuing such Event of Default or from committing any threatened Default. Tenant specifically and expressly acknowledges that damages do not constitute an adequate remedy for a Non-Monetary Default.

24.5 Restoration Funds. Upon any termination of this Lease, to the extent Landlord or Depository then holds any Restoration Funds, such funds shall be applied as provided in this Lease, including as a payment toward any sums then payable to Landlord under this Lease.

24.6 Intentionally Omitted.

24.7 Tenant's Late Payments; Administrative Charges. If an Event of Default that is a Monetary Default occurs under this Lease, then in addition to the other remedies of Landlord, and without reducing or adversely affecting Landlord's other rights or remedies, Tenant shall pay five percent (5%) of the unpaid amount to Landlord as the reasonably estimated cost of the payment delay to Landlord. Nothing in this Section 24.7 is intended to affect or change Landlord's rights or remedies regarding an Event of Default. This Section 24.7 only establishes Landlord's right to recover reasonably estimated costs of late payments, including compensating Landlord for staff time incurred by Landlord to handle the late or missed payment. Amounts payable by Tenant to Landlord under this Section 24.7 are not a penalty or compensation for use of funds and shall not be credited against any other obligation of Tenant under this Lease.

24.8 Landlord's Right to Cure. If an Event of Default occurs and such Event of Default gives rise to either an immediate risk of injury or death to person or an immediate risk of damage to real property adjoining the Premises, then Landlord, with such notice (if any) as is reasonably practicable under the circumstances, and without waiving or releasing Tenant from any obligation or Default and without waiving Landlord's right to take such action as this Lease may permit following such Event of Default, may (but need not) take such action as is reasonably necessary to alleviate the risk to person or property. Within thirty (30) days after Notice of such payment amount (which Notice shall include an itemization of all expenses and costs incurred to take action under this Section 24.8), Tenant shall reimburse Landlord, as Additional Rent, for an amount equal to: (a) all reasonable monetary amounts paid (including Legal Costs) by Landlord in exercising its cure rights under this Section 24.8; plus (b) Default Interest on the monetary amounts described in clause "(a)" of this Section 24.8 from the date paid until the date of reimbursement to Landlord.

24.9 Accord and Satisfaction; Partial Payments. No payment by Tenant or receipt by Landlord of a lesser amount of money than the amount of money owed under this Lease shall be deemed to be other than a part payment on account by Tenant. Any endorsement or statement on any check or letter accompanying any check or payment shall not be deemed an accord or satisfaction. Landlord may accept any such check or payment without prejudice to Landlord's right to recover the balance of the amount of money due to Landlord or pursue any other remedy for an Event of Default.

24.10 Survival. No termination of this Lease and no taking possession of or reletting the Premises shall relieve Landlord or Tenant of their respective liabilities and obligations under this Lease that survive such expiration, termination, repossession, or reletting during the applicable period of survival.

24.11 Multiple Suits. Landlord may sue to recover damages, or monetary amount(s) equal to any installment(s) of Rent payable by Tenant, from time to time, at Landlord's election in Landlord's sole and absolute discretion. Nothing in this Lease requires Landlord to await the Scheduled Expiration Date or any other Expiration Date to bring suit to remedy or recover damages after an Event of Default.

24.11.1 Landlord's Notice and Opportunity to Cure. Notwithstanding anything to the contrary in this Lease, before exercising any right or remedy under this Lease or applicable Law because of a Landlord Default or claiming a partial or total eviction (actual or constructive) because of a Landlord Default, Tenant shall give Landlord Notice of the Landlord Default and

sixty (60) days following the effective date of such Notice to cure the Landlord Default. If Landlord cannot with due diligence cure a Landlord Default within sixty (60) days following the effective date of Notice of such Landlord Default, the cure period for the Landlord Default shall be extended for such further period as Landlord shall reasonably require to cure the Landlord Default, provided that Landlord shall: (a) within sixty (60) days following the effective date of Notice to Landlord of the Landlord Default, advise Tenant of Landlord's intention to take all reasonable steps to cure such Landlord Default; and (b) within a reasonable time under the circumstances, commence such cure and diligently prosecute such cure to completion. Tenant acknowledges the independence of the covenants in this Lease and waives all right to terminate this Lease because of any Landlord Default. No failure by Tenant to insist upon strict performance of any covenant, agreement, term, condition or restriction of this Lease or to exercise any right or remedy upon a Landlord Default shall waive any such Landlord Default or such covenant, agreement, term, or condition. No covenant, agreement, term, or condition of this Lease to be performed or complied with by Landlord, shall be Modified, except by a written instrument signed by Tenant. No waiver of any Landlord Default shall Modify this Lease. Each covenant, agreement, term, condition, and restriction of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent Landlord Default of such covenant, agreement, term, condition, or restriction of this Lease.

24.12 Limitation on Damages. Neither Landlord nor Tenant shall be entitled to any punitive damage award against the other Party in any action or proceeding arising out of or related to this Lease.

25. **END OF TERM.**

25.1 Surrender. Upon any Expiration Date: (a) all Improvements(s) and Equipment shall become Landlord's property; (b) Tenant shall deliver to Landlord possession of the Premises, in the condition this Lease requires, subject to any Loss this Lease does not require Tenant to Restore; (c) Tenant shall surrender to Landlord all right, title, or interest in and to the Premises and deliver such written evidence and confirmation of such surrender as Landlord reasonably requires; (d) Tenant shall deliver the Premises free and clear of all liens, except liens that Landlord directly caused; (e) Tenant shall assign to Landlord, without recourse, and give Landlord copies or originals of, all assignable warranties then in effect for the Premises; (f) the Parties shall cooperate to achieve an orderly transition of operation of the Premises from Tenant to Landlord (to the extent reasonably possible), without interruption, including delivery of such books and records (or electronic copies thereof), as Landlord reasonably requires; and (g) the Parties shall adjust for expenses and income of the Premises and any prepaid Rent and shall make such payments as shall be appropriate on account of such adjustment, in the same manner as for a sale of the Premises, provided, however, that Tenant shall be responsible for applying to applicable taxing entities for a refund of any Real Estate Taxes paid by Tenant for periods after the Expiration Date (if any) and Landlord shall not be required to pay or credit Tenant for any such amount. Notwithstanding anything to the contrary in this Section 25.1, Tenant may remove from the Premises any FF&E owned by Tenant, but Tenant must do so, if at all, prior to the Expiration Date. Tenant shall immediately repair all damage to the Premises from removal of FF&E. Tenant's FF&E not removed before the Expiration Date shall be deemed abandoned.

25.2 Quitclaim of Tenant's Interests. Following any Expiration Date, Tenant shall sign, acknowledge, and deliver to Landlord a quitclaim deed acceptable to Landlord conveying all of Tenant's right, title, and interest in and to the Premises to Landlord, within thirty (30) days following Notice requesting such quitclaim deed (which Notice may be given thirty (30) days before any Expiration Date or later). If Tenant fails or refuses to sign, deliver, and record such quitclaim deed to Landlord within the provided thirty (30) day period, Tenant appoints Landlord as its attorney-in-fact to sign, deliver, and record such a quitclaim deed, which appointment is irrevocable and coupled with an interest.

25.3 Tenant Termination Rights. Notwithstanding anything to the contrary in this Lease, Tenant shall have the right to terminate this Lease before the end of the Term upon any one of the following occurrences:

25.3.1 If Tenant, despite its good faith efforts to secure permits for the Rehabilitation, is not issued all required permits for such project within five (5) years after the Commencement Date;

25.3.2 If, after Substantial Completion, there is an Unavoidable Delay other than a Loss on the Premises occurs which prevents Tenant from being able to use the Premises for the Permitted Use for a period of more than twenty-four (24) consecutive months;

25.3.3 If an Unavoidable Delay that is a Loss on the Premises occurs during the last five (5) Lease Years of the Term, and: (i) the Parties have decided not to rebuild the Improvements on the Premises to the configuration that existed immediately prior to such Loss, and (ii) Tenant has completed its obligations under Section 15.9; or

25.3.4 If, after Substantial Completion, County's funding to operate the Premises for the Permitted Use ceases.

If Tenant exercises its right to terminate the Lease under this section 25.3, Tenant shall put the Premises in the condition it was in as of the Substantial Completion Date, with the exception of improvements approved by Landlord after the Substantial Completion Date and reasonable wear and tear.

26. **NOTICES.** All Notices submitted by a Party to the other Party under or as required by this Lease shall be sent by either messenger for immediate personal delivery, nationally recognized overnight (one Business Day) delivery service (i.e., United Parcel Service, Federal Express, etc.), or registered or certified first-class mail, postage prepaid, return receipt requested through the United States Postal Service, to the address of the recipient Party designated in **EXHIBIT E** attached to this Lease. Notices may be sent in the same manner to such other addresses as either Party may from time to time designate by Notice in accordance with this Section 26. Notice shall be considered received by the addressee, regardless of whether or when any return receipt is received by the sender or the date set forth on such return receipt, on the day the Notice is sent by messenger for immediate personal delivery, one (1) Business Day after delivery to a nationally recognized overnight delivery service, or three (3) days after the Notice is deposited with the United States Postal Service in accordance with this Section 26. Any attorney representing a Party may give any Notice on behalf of such Party. The Notice addresses for the Parties, as of the Commencement Date, are set forth in **EXHIBIT E**.

27. **INTENTIONALLY OMITTED.**

The Certifying Party shall sign and deliver such Estoppel Certificate, within thirty (30) days after request, even if the Requesting Party is in Default.

30. **HOLDOVER.** If Tenant continues to occupy the Premises after the Expiration Date, such occupancy shall not constitute a renewal or extension of this Lease under California Civil Code section 1945 or otherwise, nor give Tenant any right in or to the Premises after the Expiration Date. Tenant may not occupy the Premises after the Expiration Date without Landlord's consent, which may be given or withheld in Landlord's sole and absolute discretion. Tenant's occupancy of the Premises after the Expiration Date with Landlord's consent shall be a month-to-month tenancy and all other terms and conditions of this Lease shall continue in full force and effect, except that Landlord may then demand and receive Base Rent from Tenant equal to the then fair market Base Rent for the highest and best use of the Premises, as improved, all as determined by Landlord, in its reasonable discretion. Landlord's acceptance of any Base Rent from Tenant after the Expiration Date shall not constitute a renewal or extension of this Lease under California Civil Code section 1945 or otherwise.

31. **MISCELLANEOUS.**

31.1 Prior Agreement Termination. As of the Commencement Date, all leases, right-of-entry permits, or other agreements between Landlord and Tenant concerning Tenant's entry upon, use, occupancy, or operation of the Premises, other than this Lease, are terminated, except as to any payments, rights, or remedies accrued to either Party under those agreements prior to the Commencement Date.

31.2 Compliance with Landlord Standard Contract Provisions. Tenant shall comply with all Landlord standard contract provisions set forth in **EXHIBIT G** attached to this Lease.

31.3 Third-Party Beneficiaries. There are no third-party beneficiaries of this Lease. Nothing in this Lease is intended nor shall be deemed to confer upon any Person, other than Landlord and Tenant, any right to enforce this Lease.

31.4 Modification. Each Modification of this Lease must be in a writing signed by both Parties.

31.5 Successors and Assigns. This Lease shall bind and benefit Landlord and Tenant and their respective permitted successors and assigns, but this Section 31.5 shall not limit, supersede, or Modify any Transfer restrictions in this Lease.

31.6 Costs and Expenses; Legal Costs. In the event of any litigation or dispute between the Parties, or claim made by either Party against the other, arising from this Lease or the landlord-

tenant relationship under this Lease, or Landlord's enforcement of this Lease following a Default, or to enforce or interpret this Lease or seek declaratory or injunctive relief in connection with this Lease, or to exercise any right or remedy under or arising from this Lease, or to regain or attempt to regain possession of the Premises or terminate this Lease, or in any Bankruptcy Proceeding affecting the other Party to this Lease, the prevailing Party shall be entitled to reimbursement of its Legal Costs, with Default Interest, and all other reasonable costs and expenses incurred in enforcing this Lease or curing the other Party's Default or Landlord Default.

31.7 No Waiver by Silence. All waivers of the provisions of this Lease must be in writing and signed by the Party making the waiver. Failure of either Party to complain of any act or omission of the other Party shall not be deemed a waiver by the non-complaining Party of any of its rights under this Lease. No waiver by either Party, at any time, express or implied, of any Default, Event of Default, or Landlord Default shall waive such Default, Event of Default, or Landlord Default at any other time or any other Default, Event of Default, or Landlord Default.

31.8 Performance Under Protest. If a dispute arises about performance of any obligation under this Lease, the Party against which such obligation is asserted shall have the right to perform the obligation under protest, which shall not be regarded as voluntary performance. A Party that has performed under protest may institute appropriate proceedings to recover any amount of money paid or the reasonable cost of otherwise complying with any such obligation, with interest at the Default Rate.

31.9 Survival. All rights and obligations that by their nature are to be performed after any Expiration Date shall survive any such Expiration Date.

31.10 Accessibility Assessment. Landlord discloses to Tenant that the Premises have not been inspected by a Certified Access Specialist (CASP). Landlord further states:

A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

31.11 Unavoidable Delay.

31.11.1 *Notice*. Performance by either Party under this Lease shall not be in Default where any such Default is due to the occurrence of an Unavoidable Delay. Any Party claiming an Unavoidable Delay shall Notify the other Party: (a) within twenty (20) days after such Party knows of the Unavoidable Delay; and (b) within twenty (20) days after the Unavoidable Delay ceases to exist. To be effective, any Notice of an Unavoidable Delay must describe the Unavoidable Delay

in reasonable detail. The extension of time for an Unavoidable Delay when Notice is timely given under this Section 31.11.1, shall commence on the date the condition causing the Unavoidable Delay commences. If Notice is not timely given under this Section 31.11.1, then the extension of time for the Unavoidable Delay shall commence on the effective date of the Notice of the Unavoidable Delay under this Section 31.11.1 and shall continue until the end of the condition causing the Unavoidable Delay. Commercial general liability insurance coverage may be provided through a combination of primary and excess or umbrella insurance policies. If commercial general liability insurance or other form with a general aggregate limit is used, the general aggregate limit shall apply separately to the Premises.
- 1.3. *Property Insurance.* Insurance providing coverage for the Premises and all improvements on or to the Premises against loss, damage, or destruction by fire or other hazards encompassed under the broadest form of property insurance coverage then customarily used for like properties in the County, in an amount equal to one hundred percent (100%) of the replacement value (without deduction for depreciation) of all improvements (excluding excavations and foundations), and in any event sufficient to avoid co-insurance and with no co-insurance penalty provision, with "ordinance or law" coverage. To the extent customary for like properties in the County at the time, such insurance shall include coverage for explosion of steam and pressure boilers and similar apparatus located in or associated with the Premises, an "increased cost of construction" endorsement and an endorsement covering demolition and cost of debris removal.

To the extent Tenant obtains an insurance policy covering both the Tenant Parties and the Landlord Parties and containing a Waiver of Subrogation, the Parties release each other from any Claims for damage to any Person or property to the extent such Claims are paid by the insurance carrier under such insurance policy. "**Waiver of Subrogation**" means and refers to a provision in, or endorsement to, any insurance policy, under which the carrier agrees to waive rights of recovery by way of subrogation against the Landlord Parties for any loss such insurance policy covers.

Each insurance policy issued in satisfaction of these Insurance Requirements shall provide that, to the extent Tenant fails to pay all or any portion of a self-insured retention under such policy in reference to an otherwise insured loss, Landlord may pay the unpaid portion of such self-insured retention, in Landlord's sole and absolute discretion. All amounts of

money paid by Landlord toward self-insured retentions regarding insurance policies covering the Landlord Parties under these Insurance Requirements shall be reimbursed to Landlord by Tenant in the same manner that insurance costs are reimbursable to Landlord from Tenant under Section 5 of these Insurance Requirements.

3.11. *No Separate Insurance.* Tenant shall not carry separate or additional insurance concurrent in form or contributing in the event of loss with insurance coverage required by these Insurance Requirements unless the Landlord Parties are made additional insured under such insurance coverage.

4. **Insurance Independent of Indemnification.** These Insurance Requirements, are independent of the Parties' Indemnification and other obligations under this Lease and shall not be construed or interpreted in any way to satisfy, restrict, limit or modify the Parties' Indemnification or other obligations or to limit the Parties' liability under this Lease, whether within, outside or in excess of such coverage, and regardless of solvency or insolvency of the insurer issuing the coverage, nor shall the provision of such insurance preclude Landlord from taking such other actions as are available to Landlord under any other provision of this Lease or otherwise at law or in equity.

5. **Landlord Option to Obtain Coverage.** During the continuance of an Event of Default arising from the failure of Tenant to carry any insurance coverage required by these Insurance Requirements, Landlord may, in Landlord's sole and absolute discretion, purchase such required insurance coverage. PREVAILING WAGE REQUIREMENTS

1. **PREVAILING WAGES.** Under San Diego Municipal Code section 22.3019, construction work performed or funded under this Lease cumulatively exceeding \$25,000 and alteration, demolition, repair and maintenance work performed, or funded under this Lease cumulatively exceeding \$15,000 is subject to the State prevailing wage law set forth in State Labor Code sections 1720 through 1862, and in undertaking any and all such work, Tenant and Tenant's contractors and subcontractors shall comply with State Labor Code sections 1720 through 1862 and the requirements set forth in this **EXHIBIT H** (collectively, "**Prevailing Wage Law**"). This requirement to comply with Prevailing Wage Law is in addition to any requirement to pay "living wage" under San Diego Municipal Code sections 22.4201 through 22.4245 ("**LWO**"). If both Prevailing Wage Law and the LWO are applicable to particular work, Tenant and Tenant's contractors and subcontractors must determine which per diem rate is highest for each classification of work between the applicable prevailing wage rate and living wage rate and pay the higher of the two rates to their employees. The LWO may apply to work that is not subject to Prevailing Wage Law.

1.1 Compliance with Prevailing Wage Requirements. Under Prevailing Wage Law, Tenant and Tenant's contractors and subcontractors shall all ensure that all workers who perform work that is subject to Prevailing Wage Law are paid not less than the prevailing rate of per diem wages, as determined by the Director of the California Department of Industrial Relations ("**DIR**"), including work performed during the design and preconstruction phases of construction, which encompasses, without limitation, inspection and land surveying work.

1.1.1 Copies of the prevailing rate of per diem wages are on file with Landlord and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. Tenant and Tenant's contractors and subcontractors shall all post a copy of the prevailing rate of per diem wages determination at each job site and shall make this information available to all interested Persons upon request. Tenant and Tenant's contractors and subcontractors shall all deliver evidence of the required job site posting to Landlord, within five (5) days after such posting.

1.1.2 The wage rates determined by DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the Term. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with DIR, such predetermined wage rate shall become effective on the date following the expiration date of the previous wage rate and shall apply to this Lease in the same manner as if it had been published. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur

during the Term, each successive predetermined wage rate shall apply to this Lease on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expire during the Term, such wage rate shall apply to the balance of the Term.

1.2 Penalties for Violations. Tenant and Tenant's contractors and subcontractors shall all comply with State Labor Code section 1775, in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. Compliance with State Labor Code section 1775 shall be in addition to all other applicable penalties allowed under State Labor Code sections 1720-1861.

1.3 Payroll Records. Tenant and Tenant's contractors and subcontractors shall all comply with State Labor Code section 1776, which generally requires keeping accurate payroll records, verifying, and certifying payroll records, and making them available for inspection. Tenant and Tenant's contractors and subcontractors shall all comply with State Labor Code section 1776, including having provisions requiring such compliance in all contracts with subcontractors. Any requirement to submit certified payroll records to DIR shall include submitting certified payroll records to DIR through its online system for submission of certified payroll records, as required by DIR. Further, Tenant and Tenant's contractors and subcontractors shall all furnish the records specified in State Labor Code section 1776 directly to the State Labor Commissioner in the manner required in State Labor Code section 1771.4. Tenant is responsible for ensuring that Tenant's contractors and subcontractors submit certified payroll records to Landlord, the State Labor Commissioner, and DIR.

1.4 Apprentices. Tenant and Tenant's contractors and subcontractors shall all comply with State Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Tenant shall be held responsible for its compliance and the compliance of Tenant's contractors and subcontractors with State Labor Code sections 1777.5, 1777.6, and 1777.7.

1.5 Working Hours. Tenant and Tenant's contractors and subcontractors shall all comply with State Labor Code sections 1810 through 1815, including: (i) restricting working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specifying penalties to be imposed on design professionals, contractors, and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of State Labor Code sections 1810 through 1815.

1.6 Required Provisions for Subcontracts. Tenant shall include, at a minimum, a copy of the following provisions in any contract it enters into with a contractor or subcontractor: State Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860, and 1861.

1.7 Labor Code Section 1861 Certification. In accordance with State Labor Code section 3700, Tenant and Tenant's contractors and subcontractors are all required to secure the payment of compensation of their respective employees and by signing this Lease or any contract or subcontract, respectively, Tenant and Tenant's contractors and subcontractors all certify that "I am aware of the provisions of section 3700 of the State Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before

commencing the performance of the work of this contract.” Tenant shall include this certification in all contracts with each contractor or subcontractor.

1.8 Registration Requirements. All work is subject to compliance monitoring and enforcement by DIR. A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal subject to the requirements of State Public Contract Code section 4104 or engage in the performance of any contract for public work, as defined in Prevailing Wage Law, unless currently registered and qualified to perform the work under State Labor Code section 1725.5. In accordance with State Labor Code section 1771.1(a), “[i]t is not a violation of this section for an unregistered contractor to submit a bid that is authorized by section 7029.1 of the State Business and Professions Code or by section 10164 or 2103.5 of the State Public Contract Code, provided the contractor is registered to perform public work under section 1725.5 at the time the contract is awarded.”

1.8.1 A contractor’s inadvertent error in listing a subcontractor who is not registered under State Labor Code section 1725.5 in a response to a solicitation shall not be grounds for filing a bid protest or grounds for considering the bid non-responsive, provided that any of the following apply: (1) the subcontractor is registered prior to bid opening; (2) within twenty-four hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in State Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered contractor under State Public Contract Code section 4107.

1.8.2 A contract entered into with any contractor or subcontractor in violation of State Labor Code section 1771.1(a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of State Labor Code section 1725.5.

1.8.3 By entering into this Lease, Tenant is certifying that it has verified or will verify that all contractors and subcontractors used on work subject to Prevailing Wage Law are registered with DIR in compliance with State Labor Code sections 1771.1 and 1725.5 and shall provide proof of such registration to Landlord.

1.9 Filing of Form PWC-100. Tenant shall timely file a PWC-100 Form (or other form required by DIR) with DIR, as and when required by Prevailing Wage Law, and concurrently deliver a copy of such filed form to Landlord.
