4. Click on **ADD TREES** and add your tree's information into the **Add Trees** pop-up screen.

TREE PLOTTER INSTRUCTIONS

Thank you for logging your personal tree plantings in San Diego County!
More info is available at sdparks.org.

ADD TREES ✕

Add Trees

Choose the location and species of your trees.

I want to plot each tree's location in the map.
 I want to add all trees at one general location.

Step 1. Select Your Location ?

My Address
 My Location (GPS)
 Select From Map

Step 2. What kind of trees are you adding? ?

Kind of Trees	Number of Trees	
<input type="text" value=""/>	<input type="text" value=""/>	<input type="button" value="+"/>

Total: 0

5. You can plot the tree's location using an address, GPS, or by selecting it on a map.

6. Once information is entered, and location is set, click **Submit**.

ADD TREES ✕

Add Trees

Choose the location and species of your trees.

I want to plot each tree's location in the map.
 I want to add all trees at one general location.

Step 1. Select Your Location ?

My Address
 My Location (GPS)
 Select From Map

Location is set. You may move to step 2.
