

PUBLIC MEETING

Goodan Ranch/Sycamore Canyon County Preserve Public Access Plan

Thursday, March 28
6 – 8 p.m.

Poway Community Park
Auditorium
13094 Civic Center Drive
Poway, CA 92064

Join the County of San Diego Department of Parks and Recreation for a second meeting on the Public Access Plan for Goodan Ranch/Sycamore Canyon County Preserve. We will be sharing proposed trail alignments based on community input and other factors. The proposed trail alignments are now being considered for further environmental analysis in compliance with the California Environmental Quality Act.

SYCAMORE CANYON GOODAN RANCH PRESERVE PUBLIC ACCESS PLAN

COUNTY OF SAN DIEGO
PARKS & RECREATION

Public
Meeting #2
March 28, 2018

AGENDA

- Overview
- Goals & Objectives
- Trail Planning Process
- Summary of Comments
- Today's Recommendations
- Next Steps

PURPOSE OF THE PLAN:

- Examine opportunities and constraints
- Consider adjacent conditions & proposed trails
- Evaluate alternatives for improvements
- Outline recommendations

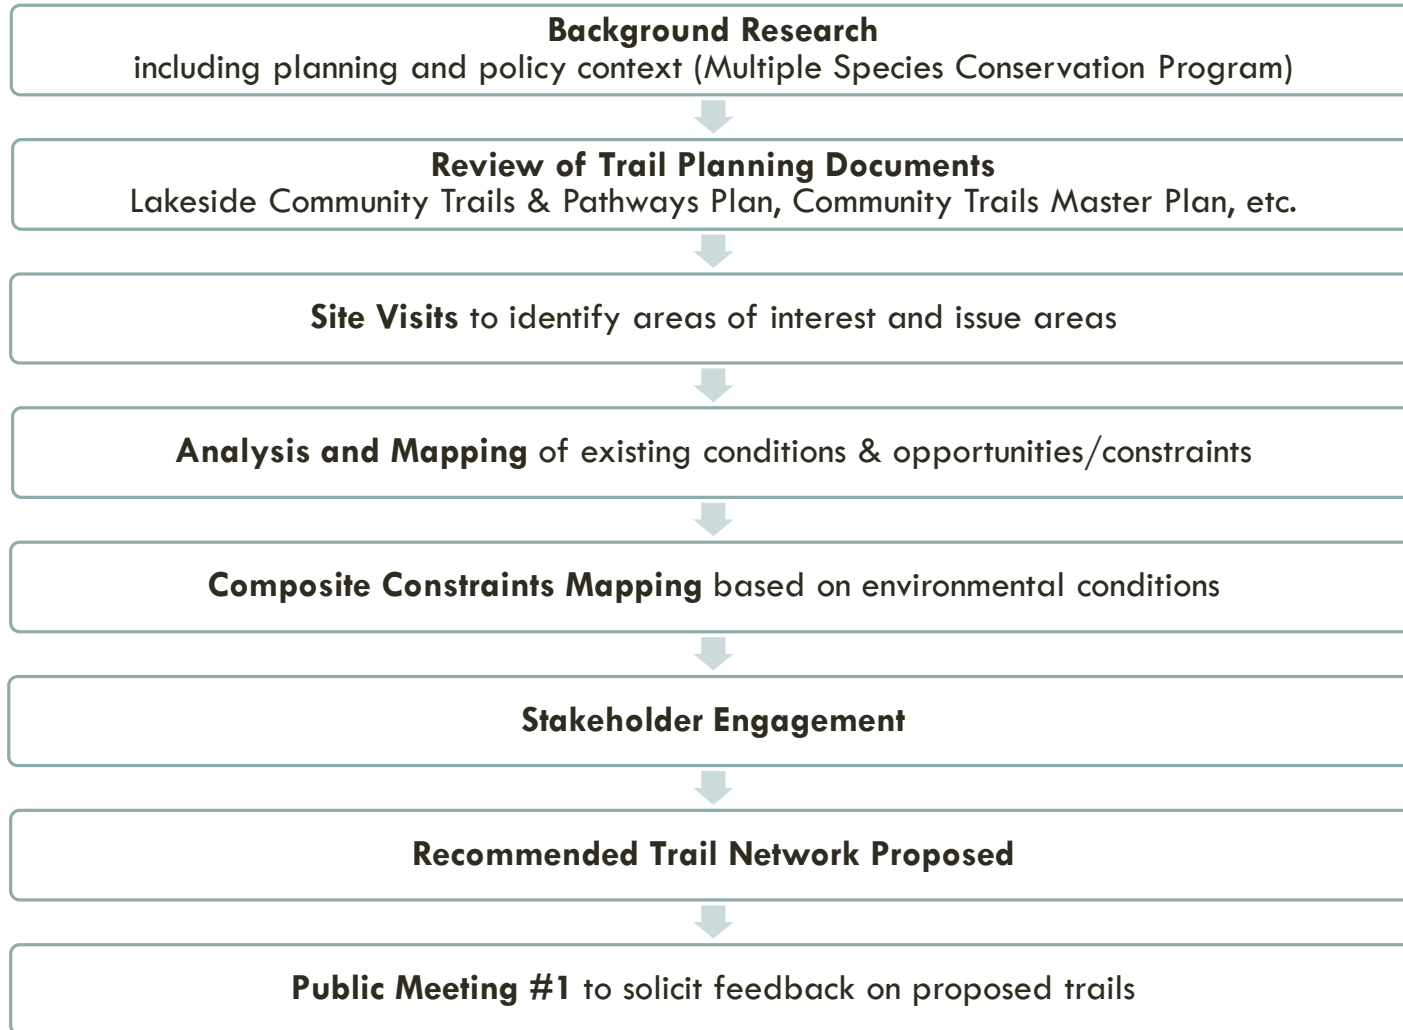

PRIMARY GOALS

- Develop sustainable public access opportunities that provide an enjoyable experience for all
- Continue to provide unique mountain biking opportunities while maintaining multi-use trails
- Provide recreational appeal while conserving resources and educating visitors

TRAIL PLANNING PROCESS

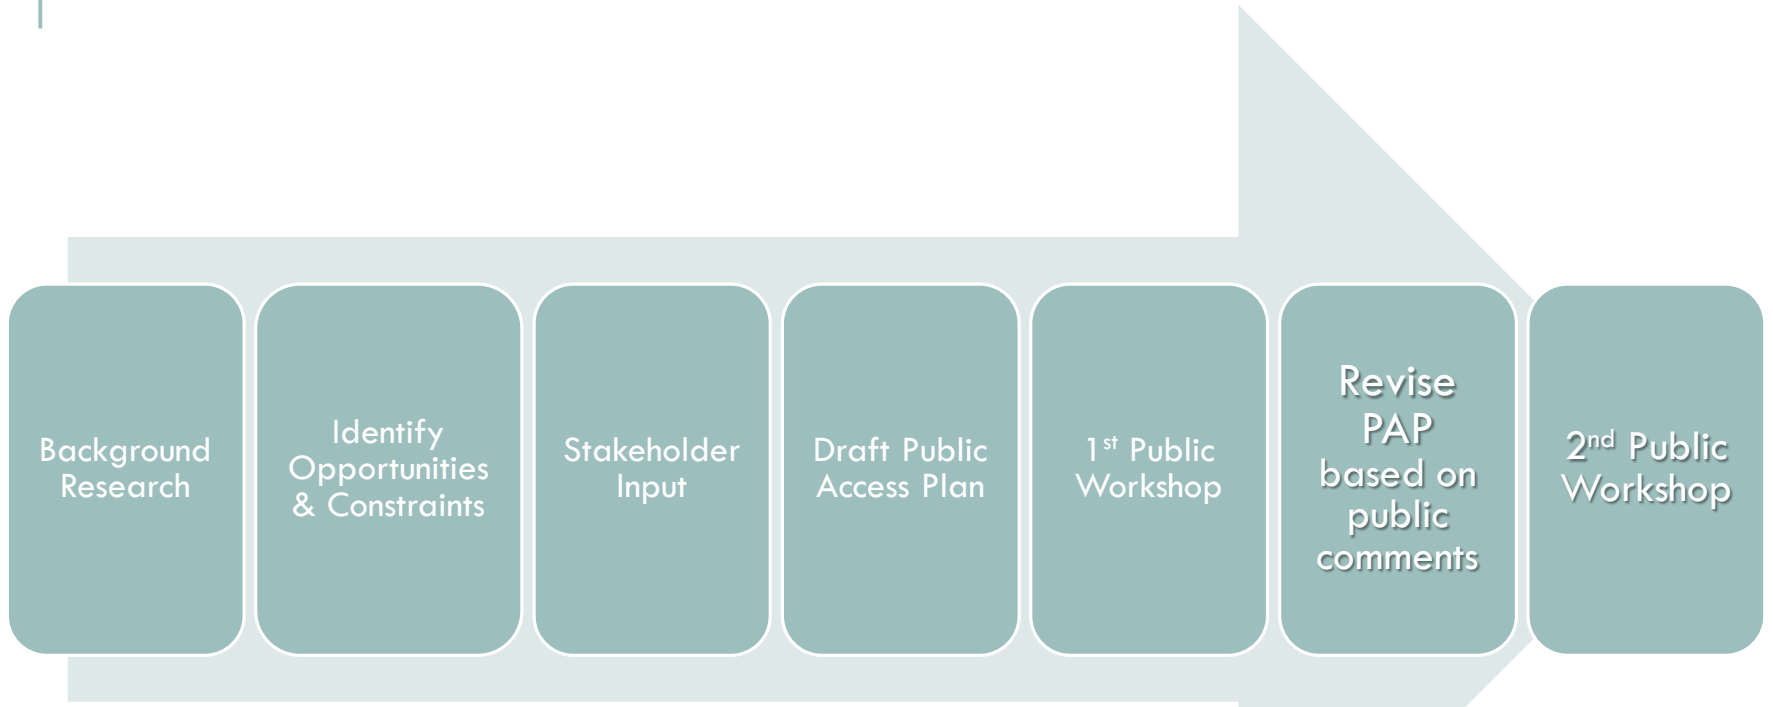

PAP APPROACH

1. Revised Draft PAP based on comments received
2. Multiple alternatives are proposed for analysis for various trail alignments to determine which is the most feasible based on the following considerations including:
 - a) Vegetation (plants)
 - b) Species (wildlife and wildlife corridors)
 - c) Cultural Resources (historical resources)
 - d) Jurisdictional Resources (creeks, streams)
 - e) Topography & Soils
 - f) Implementation costs
3. Final trail alternatives will be selected based on feasibility and constraints documented in the California Environmental Quality Act (CEQA) document.

SUMMARY OF COMMENTS

Since the last meeting DPR has been revising the plan to address public comments received. Many comments had similar themes including:

- Regional Connectivity
- Loop Trails
- Single Track Trails
- Varied User Experience
- Concern for Wildlife

Legend:

1. Natural Surface Material
2. 3% - 8% Cross Slope
3. 2' Minimum Trail Tread Width
4. 1 - 2' Horizontal Clearing
5. 12' Vertical Clearance
6. 5' - 6' Trail Corridor

SUMMARY OF COMMENTS

Martha's Grove Trail

- Keep current alignment (technicality)
- Realign the trail (sustainability)
- Retain one-directional status

Revised DPR Recommendation

- Removed significant re-routes
- Keep technicality, with minimal re-routes on eroded segments
- Analyze alternative northern trail connection (1A, 1B)

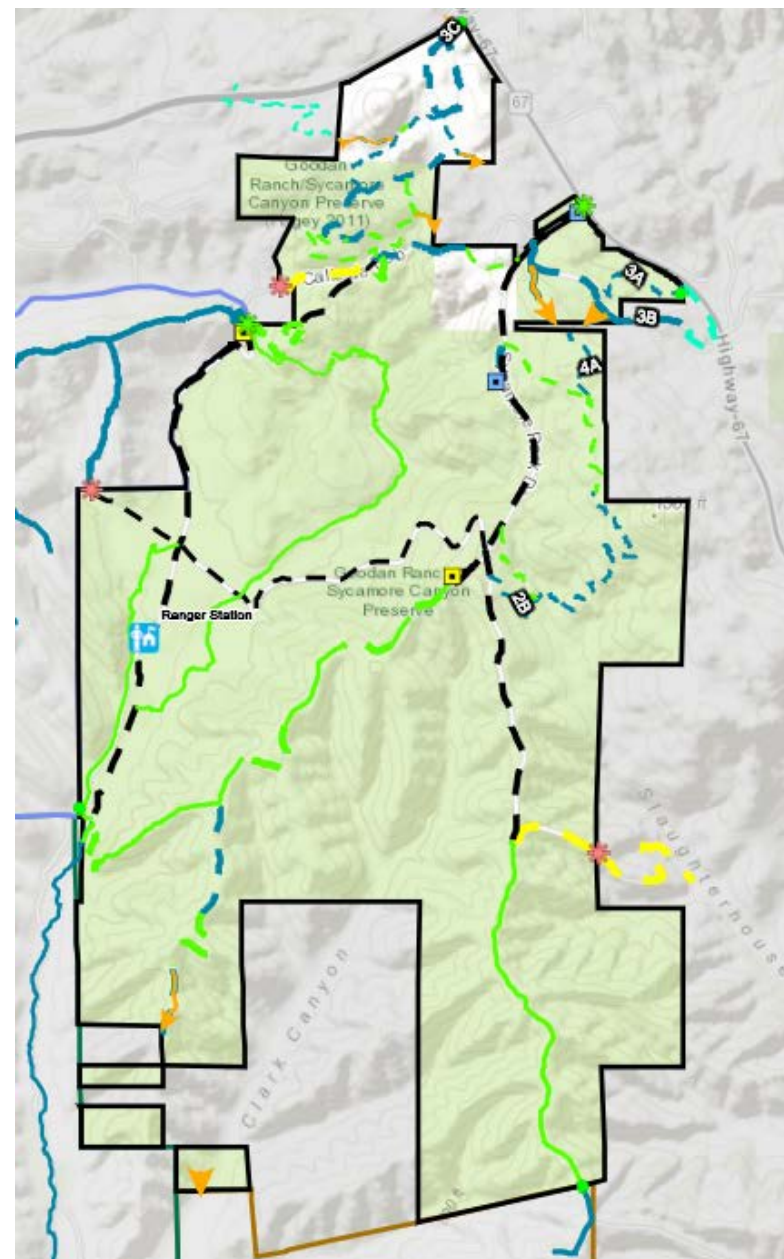

SUMMARY OF COMMENTS

Regional Connectivity

- Additional connectivity desired to Santee and Poway
- Trans County Trail connectivity

Environmental Concerns

- Potential impacts to critical resources and wildlife corridors
- Illegal night use

DRAFT MAPS

- There are some areas that are both mapped as a proposed trail and as potential closure/ revegetation area. This is because we are analyzing the best action to take in our impact studies.
- This instance is illustrated here in option 4A.
